CONFORMATION

Grom is representation of modern type of Blonde d'Aquitane breed. His father Bourák MZLU amazes for many years with great quality of his sons and we truly believe, that Grom is the best of them. In his pedigree we can find insemination bulls like Superman, Orvil, Serin and Nicodeme. In selection for breeding was Grom awarded by 79 points for exterior. He has excellent daily gain in test 2141 g and he weighed 648 kg in one year. Grom has well balanced exterior, excellent feet and legs and very calm temperament. From both father's as mother's side he carry great precondition for milkability.

PERFORMANCE TEST
