CONFORMATION

Heros is a son of the bull Boston Red, whose ID we still offer. The sire position of the dam we find the bull Star Red Tegro, who was outstanding above all for the quality of his daughters. With Heros, as with Boston, we expect easy births. Heros is a very complete bull. We expect his calves to have a larger body frame, body length, and above average muscling, as evidenced by his excellent breeding values for the exterior.
