GROWTH

Chabliss is a son of the Irish bull Coose Las Vegas, who was very popular with us for his easy calving and strong progeny. We expect the same from Chabliss, who is a truly impressive bull with great harmony, as evidenced by his excellent 86 points exterior score. Chablisse's original pedigree is also impressive, with his dam's sire being Kilbride Farm Hans PP and his greatgrandfather being Canadian Anchor D Gunner. These bulls calved on heifers without any problem. While Chabliss' PH for calving progress is below the population average, we predict him to calve easily. Chabliss is a complete bull, he will find use with most of your sires but especially where you need to improve pelvic size, body length and muscling in the hindquarters.
