ABBREVIATIONS:

VT - height, DT - length, HM - weight, PŠ - chest width, HH - chest depth, DZ - pelvis length, PL - shoulder, HŘ - top line, ZÁ - Thigs

Calving

Reiver comes from as well herd as Eder. Anyway, this line is for its intensive growth and bold muscularity primarily used in terminal position – to production of fattening cattle. Reiver's daughters are the biggest cows in the herd. They are mated later due to big frame and necessity to finish their growth. They have got excellent pelvis and give birth easily.
